

Riverfront Community Development Bond Application Workshops

RCDB

"Healthy Rivers Equal Healthy Communities"

Dear Municipal Official:

The Department of Economic & Community Development will distribute almost \$5,000,000 in 2008-2009 under the Riverfront Community Development Bond Program (RCDB) to assist and encourage communities along the State's rivers to revitalize their riverfronts in an environmentally sustainable manner and to promote river-oriented community development and enhancement projects and will provide funding for projects such as:

Riverfront Parks
Recreational Amenities

Walking Trails
Public Access

Mill & Building Redevelopment
Fish and Wildlife Habitat

Want to find out how RCDB may help your community?
